

Gregory O. Scott is a pen name for fan fiction writer HandofThrawn45. When Disney rebooted the Expanded Universe in 2014, it brought about the official end of the Star Wars Legends continuity. Yet while no new official Legends books have been released since the official end of the Legends line of books, not everyone has been willing to accept that it would seem. Since 2018, HandofThrawn45 has written a number of fan novels which are intended to close off the loose ends created in the wake of Disney's end of the Legends Continuity.

Turmoil deep in the Unknown Regions...

A rogue Alliance fleet chases a Yuuzhan Vong armada. Two more fleets race into uncharted space to intervene. One is a coalition of Alliance, Imperial, and Chiss vessels led by a man who has served all three: Jagged Fel. The other is led by the deposed dictator Natasi Daala, who sees a chance to claw her way back to power.

The heroes of the age, Jaina Solo, Ben Skywalker, Tahiri Veila, and Syal Antilles, accompany Jagged Fel into the darkness. No one suspects the danger that awaits them. In the darkness lies yet another force lurking in the shadows, the mysterious One Sith, waiting decades to strike.
